

CCS Presents...

Design and Win Your Ideal Classroom!

CCS is excited to announce an unprecedented grant opportunity for all Arizona K-12 educators!

The purpose of the Design Your Ideal Classroom grant is to support teachers' efforts to improve student achievement through innovative technology integration. This grant will provide one K-12 teacher with their dream technology classroom!

For eligibility requirements and application details please visit:

<http://www.ccsprojects.com/AZ/grantwriting.cfm>

All applications are due by June 30, 2009 at 4:00pm.

Tools for Learning Spotlight...

Pulse™ Smartpen by Livescribe™

Never Miss a Word

Do you struggle to take detailed notes in observations or meetings? Have you ever missed something important or struggled to remember an exact phrase that was used?

You can capture every word. The Pulse™ Smartpen by Livescribe™ can help!

The Smartpen records audio as you take notes. The pen links the audio to each word of your notes. To play back what was said at a specific point just touch on a word!

All of your notes and audio can be easily shared and stored digitally. You can upload your notes for sharing with a click of a button.

For more information or a demonstration of the pen, please call your CCS representative.
