CCS PRESENTATION SYSTEMS EXPANDS INTO NEW MEXICO
National A/V Integrator Continues Growth in Southwest with Albuquerque Office

SCOTTSDALE, Ariz. – (October 21, 2009) – CCS Presentation Systems, one of the largest integrators of audio and visual equipment in the U.S., today announced the opening of its new Albuquerque, New Mexico office. The office is located at 6501 Eagle Rock Avenue in Albuquerque.

“In this digital age, audio and video technology has become an integral part of every building project from K-12 schools to corporate high-rises and luxury hotels,” said, John Godbout, CEO of CCS Presentation Systems.” Albuquerque-area businesses understand the positive impact that a/v technology has on the customer experience and we believe that the demand for our services will grow throughout New Mexico.”

CCS serves customers in the corporate, government and educational sectors. The company sells, installs and services equipment as well as trains clients to use A/V technology. CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including interactive SMART™Boards, LCD & plasma displays, room control systems, projectors and projection screens.
