CCS Ranked as the No. 3 Top Audio Visual Integrator in US

SCOTTSDALE, Ariz. – (December 10, 2010) – CCS, the largest integrator of audio and visual equipment in the Southwest, today announced its recognition by *Systems Contractor News* magazine as the nation's number 3 top audio visual integrator. CCS was listed in the publication's "Annual Top 50 System Integrators" ranking, which is based on total revenue for the past year, number of installations and projected revenue for the coming year for commercial projects. Last year CCS was ranked number 7 in the same category.

John Godbout, founder and CEO of CCS, stated, "It's an honor to receive this recognition from *Systems Contractor News*. We're very thankful to all our customers for their continued support and look forward to another successful year."

CCS serves customers in the corporate, government and educational sectors. The company sells, installs and services equipment as well as trains clients to use A/V technology. CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including LCD & plasma displays, projectors, room control systems and high definition videoconferencing. Founded in 1991, CCS was started by a husband and wife team and has grown into one of the largest A/V integrators in the U.S. with more than 450 employees and sales offices in 13 states.

About CCS, Inc.

Since 1991, Scottsdale, Ariz.-based CCS, has served customers in the corporate, government and educational sectors. CCS provides full-service integration, installation and maintenance of audio and video equipment, including LCD & plasma displays, digital projectors, interactive whiteboards, room control systems, audio systems, high definition videoconferencing systems and more. The company has expanded from a two-person operation to one of the largest A/V integrators in the U.S., with more than 450 employees, sales offices in 13 states and annual revenue in excess of \$160 million.
