**CCS CONTINUES EXPANSION THROUGHOUT SOUTHERN TEXAS**  
*A/V Integrator Grows With New Corpus Christi Office*

**HOUSTON – (September 27, 2010)** – CCS Texas, one of the largest integrators of audio and visual equipment in the U.S., announced today the opening of its new office in Corpus Christi, Texas located at 922 East Lakeside Drive. The Corpus Christi office joins CCS' existing locations serving Texas including its offices in Austin, Dallas, Houston, McAllen, San Antonio and eastern Texas.

“In this digital age, audio and video technology has become an integral part of every building project from K-12 schools to corporate high-rises and luxury hotels,” said Mark Kalinsky, president of CCS Texas. “Corpus Christi-area businesses understand the positive impact that audio visual technology has on the customer experience and we are confident that the demand for our services will continue to increase throughout southern Texas.”

CCS Texas is pleased to establish a presence in Corpus Christi and plans to grow the business to include new sales and technical jobs throughout the Texas Coastal Bend.

“With our company’s expertise and large network of audio visual specialists, Corpus Christi now has a trusted local partner who can design and install state-of-the-art sound and communication systems and tools for their organizations,” said CCS Corpus Christi Branch Manager Jim Brooks.

CCS Texas serves customers in the corporate, government, education, health and hospitality industries. The company sells, installs, services, and trains clients to use audio visual technology and equipment. CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including interactive SMART Boards™, LCD and Plasma displays, room control systems, projectors, video conference systems and projection screens.

To contact CCS in Corpus Christi, Branch Manager Jim Brooks can be reached at (361) 937-1213 or [jbrooks@ccsprojects.com](mailto:jbrooks@ccsprojects.com).
