## **CCS NEW ENGLAND CONTINUES TO GROW WITH NEW EMPLOYEES**

**NASHUA, N.H. – (April 7, 2011)** – CCS New England, an [Audio Visual Equipment Solutions](#) integrator today announced the addition of Craig Wiley as a System Design Engineer and Mark Frechette as a Lead Installer.

Wiley brings 13 years of industry experience to the team at CCS New England's Nashua headquarters. As a Systems Design Engineer, he will be responsible for project management and system design for the company's [audio visual](#) installations. This includes creating complex systems, interpreting architectural drawings and serving as the primary technical resource for each project. Prior to joining CCS New England, Wiley worked at Single Source Group.

Frechette will also work out of the Nashua headquarters and brings more than 10 years of industry expertise to CCS New England. In his new role Frechette, who has commercial installation experience, will implement audio visual installations for CCS New England clients. Additionally, he will be involved in the configuration and servicing aspects of projects. Prior to joining CCS New England, Frechette served as Lead Installer/Project Manager at Audio Video Experience.

"Craig and Mark will be great additions to our team here in Nashua," said Cheryl Gamst, president and owner of CCS New England. "Both bring valuable skill-sets with them and I'm confident they will serve our clients well."

CCS New England serves customers in the corporate, government and education sectors. The company sells, installs, services, and trains clients to use [audio visual technology](#) and equipment. CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including

SMART Board™ interactive whiteboards, NEC, Panasonic and Samsung displays, Crestron, AMX and Extron room control systems, Epson, NEC and Mitsubishi projectors, Tandberg and Polycom video conference systems and Da-Lite projection screens.
