CCS Ranked Among the Nation's Fastest Growing Companies
Scottsdale Based A/V Integrator Ranked for Fourth Consecutive Year

SCOTTSDALE, Ariz. (Oct. 20, 2011) – CCS, the largest [audio and visual integrator](#) in the Southwest, today announced that it was ranked for the fourth consecutive year in *Inc.* magazine's annual list of the nation's fastest growing companies.

John Godbout, founder and CEO of CCS, stated, "It's an honor to receive this recognition from *Inc.* magazine for the fourth consecutive year. Our clients are increasing their use of audio and visual technology each year, which has continued to fuel our growth."

CCS was ranked number 4,282 on the list of *Inc.* magazine's fifth annual Inc. 5000. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Despite the stagnant economic environment in the United States, the median growth rate of 2011 Inc. 500|5000 companies remains an impressive 94 percent. The companies on this year's list report having created 350,000 jobs in the past three years, and aggregate revenue among the honorees reached \$366 billion, up 14 percent from last year.

CCS serves customers in the corporate, government and educational sectors. The company sells, installs and services equipment as well as trains clients to use [A/V technology](#). CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including interactive SMART™Boards, LCD & plasma displays, projectors and control systems.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.

Methodology

The 2011 Inc. 500|5000 is ranked according to percentage revenue growth from 2007 through 2010. To qualify, companies must have been founded and generating revenue by March 31, 2007. Additionally, they had to be

based in the United States, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2010. (Since then, a number of companies on the list have gone public or been acquired). The minimum revenue required for 2007 is \$100,000; the minimum for 2010 is \$2 million. Revenue figures given in the company profiles are for calendar years, as are employee counts. Full-time and part-time employees are included in the employee counts; independent contractors are not. As always, Inc. reserves the right to reject applicants for subjective reasons.
