CCS Recognized by *Ranking Arizona* as the State's Top Computer Training Center

SCOTTSDALE, Ariz. – (March 7, 2011) – CCS, the largest integrator of [audio and visual equipment](#) in the Southwest, today announced that it received a top ranking by *Arizona Business* magazine's annual publication, *Ranking Arizona*, which rates the best of Arizona business.

CCS was ranked first in the Computer: Training Centers category for 2011. This is the 4th consecutive year that the leading audio visual integration company was recognized by the publication in one of the top two spots on the list. *Ranking Arizona* is the result of the largest business opinion poll in Arizona.

"We are proud to be recognized by *Ranking Arizona* and believe this is a direct reflection of our incredible clients, noteworthy partners and dedicated employees," said Founder and CEO, John Godbout. "We provide computer training to more than 4,500 people each year through our training centers in Scottsdale and Tucson, in addition to our Mobile Training Center that we send directly to businesses and educational institutions to conduct onsite training sessions for our clients."

CCS serves customers in the corporate, government and educational sectors. The company sells, installs and services equipment as well as trains clients to use [A/V technology](#). CCS offers multiple product lines to enhance presentation effectiveness and customer experiences including interactive SMART™ Boards, LCD & plasma displays, projectors and control systems. Founded in 1991, CCS was started by a husband and wife team and has grown into one of the largest A/V integrators in the U.S. with more than 300 employees and sales offices in 13 states.

About CCS, Inc.

Since 1991, Scottsdale, Ariz.-based CCS, has served customers in the corporate, government and educational sectors. CCS provides full-service integration, installation and maintenance of audio and video equipment, including LCD & plasma displays, digital projectors, interactive whiteboards, room

control systems, audio systems, high definition videoconferencing systems and more. The company has expanded from a two-person operation to one of the largest A/V integrators in the U.S., with more than 450 employees, sales offices in 13 states and annual revenue in excess of \$160 million. CCS was recently ranked by *Systems Contractor News* magazine as the nation's number 3 top audio visual integrator. For more information about CCS, visit www.ccsprojects.com.
